# Vijayan Lock Works

<http://www.vijayanlocks.com/>

We have developed as leading manufacturers and traders of a premium range of Locks. They are widely appreciated on account of long life, easy maintenance, durability, easy maintenance, reasonable prices and superior quality.

## About Us

We are renowned for following stringent quality measures while developing our wide arrays of products. Our strong marketing, high quality and client coordination policies have helped us in garnering a huge clientele. Our dedication to quality and our innovative designs have won us many accolades. We are completely backed by our sister concern, Saras enterprises and we strive to fulfill our commitments. Our products are manufactured using premium quality mild steel, stainless steel & brass and are famous for their affordable rates. Our experienced professionals have complete knowledge regarding the market and we completely work as per clients' specifications.

Our owner, **Mr. Satish Kumar** is the chief architect of our success. His in-depth knowledge and complete knowledge regarding this domain has helped us in creating a foothold in the global market.

**We Deal in Minimum Quantity of 100 Pieces**
